

Descendants of Lewis Wimberly

Generation No. 1

1. LEWIS⁹ WIMBERLY (*LEWIS⁸, THOMAS⁷, JOHN⁶, WILLIAM⁵, WILLIAM⁴, THOMAS³, WILLIAM², UNKNOWN¹*) was born Abt. 1744 in Bertie Co, NC, and died Aft. March 03, 1817 in Smith Co, TN. He married (1) MARTHA BARBEE Abt. 1768 in Bertie Co, NC, daughter of CHRISTOPHER BARBEE and MARGARET UNKNOWN. She was born Abt. 1750 in Bertie Co, NC, and died Abt. January 1799 in Pendleton District, SC. He married (2) MARY BAUCAUM October 1799 in Pendleton District, SC, daughter of UNKNOWN BAUCOM and UNKNOWN WIFE. She was born 1774 in Pendleton District, SC, and died Aft. 1829 in Smith Co, TN.

Notes for LEWIS WIMBERLY:

Lewis was born in 1744 -- that date is deduced from the Bertie County Court Minutes of 9 Nov 1742 where "Thomas Wimberley proved his Rights ..." by listing himself, wife Mary and children Judy, Abraham, Jacok (Isaac), Jacob, Susannah, Malachy, Selfey and Thomas, Jr. These were all apparently in order of age, so Lewis wasn't born yet. By 1755 when Thomas' estate was divided among the children, William, Lewis, Mary and Sarah had been added to the list. Since Thomas, Jr., from other records was probably born about 1740, William probably came along late in 1742 or early 1743 and our Lewis in 1744.

Another reinforcement of this Lewis' age is that he sold land presumably inherited from his father in 1765, probably about the time he turned 21 so we're back to a birthdate of 1744, again. It has to be this Lewis who went to Chatham Co. with his elder brother Jacob -- they had adjoining property there -- and some of the Barbees were also in that neighborhood.

Also, remember that Martha Barbee's father located nearby in that part of Orange Co. which later became Wake Co. Jacob started having land surveyed in Chatham Co. in 1779 and he and Lewis both received land grants there from the state in 1780.

Lewis Wimberly served in the Revolutionary War army and performed Patriotic Service (PS) during the war. He served from North Carolina and is listed in the DAR Patriot Index Centennial Edition, Part III, 1994, Page 3253.

Lewis Wimberly moved from the Pendleton District of South Carolina in either 1802 or 1803 and moved to Sumner County (later Smith and Wilson Counties) Tennessee. The Wimberlys were an early Bertie County, NC family.

Lewis may have been living in Chatham County, NC in 1790 where a man of that name had as neighbors Jesse Tatum and Solomon Smith, who were enumerated in Pendleton in 1800 along with a Moody family from Chatham County.

In the Chatham County, NC Court Minutes, 1773-1779 on the list of Jury members to lay out a road from the Orange Co. line near Henry Beasleys, are next named Lewis M. Wimberly and his brother, Jacob Wimberly.

Lewis M. Wimberly must have moved to Pendleton District of SC in the fall or winter of 1792. He purchased land in Pendleton Co. in January 1793.

George Salmon, of Greenville Co, S.C. on January 31, 1793 sold to Lewis Wimberly, of Pendleton County, S.C. 300 acres of land for £65 Sterling, part of a tract granted Salmon on June 4, 1787 on both sides of the South Fork of 12 Mile River, bounded by Duncan Camron and Earle. Witnessed by Sarah and Wiat Anderson

On October 30, 1802, Lewis Wimberly sold 200 acres of land on the South Fork of 12 Mile River bounded by Salmon's land to Charles Lay for the amount of \$120. The transfer was signed by Lewis Wimberly and Polly Wimberly made her (x) mark. It was witnessed by John Field.

On October 30, 1802, Lewis Wimberly sold 300 acres of land on the South Fork of 12 Mile River bounded by Porter, Cannon and Earle to Charles Lay for the amount of \$900. The transfer was signed by Lewis Wimberly

and Polly Wimberly made her (x) mark. It was witnessed by John Field.

With these transactions, Lewis Wimberly sold his holdings in South Carolina and prepared to travel to Sumner County (later Smith and Wilson Counties) in the fall of 1802 or the spring of 1803. My guess is Lewis left on November 1, 1802 and arrived in Smith County late in November, traveling about 10 to 15 miles per day. By 1802, there were well established roads from South Carolina to Tennessee. The road Lewis probably traveled on was the one that went north into North Carolina, then over the Smokey Mountains into Knoxville, then west to Carthage, or Lebanon, or Hartsville, TN which are the county seat of Smith, Wilson and Trousdale County.

Sumner County was divided into three counties, Wilson, Sumner, and Smith in 1799. In 1870, Trousdale County was formed by taking parts of Macon, Smith and Sumner Counties. Lewis could have lived in either what is now Trousdale or Smith Co.

Notes for MARTHA BARBEE:
Martha Barbee had children (13 total) until she was in the early 50's. She died in childbirth with her last child, Dicca, in early 1799. Lewis immediately found another young woman (in her early 20's), Mary "Polly" (Baucaum) with whom he then proceeded to have six more children. (19 total)

Marriage: Abt. 1768, Bertie Co, NC

Notes for MARY BAUCAUM:
Polly (Mary) was living in Smith County, TN in 1820. She still had Elijah (19), Thomas Jefferson, Washington, Susannah, Betsey, and Milly living at home. (6 in all) Polly had to raise the children until Elijah was old enough to take them to Illinois.

I'm assuming Polly was 26 years old when Lewis married her in 1800, so her birthdate would be 1774. In 1820, she was 46 years old, being at the end of her child-bearing years. She probably died at the age of 56, or 1830, because she does not appear in the 1830 census of Smith County, TN nor does she appear in the 1830 census of Jefferson County, IL. Elijah and all of his sisters and brothers do appear, however, in the 1830 census of Jefferson County, IL

I cannot find any "Polly" in cemeteries in IL where other Wimberly's are buried. She must be buried in TN.

Lewis moved from the Pendleton District in SC in 1800 to Smith County, TN right after he married Polly (Mary) Baucaum. He then proceeded to have six (6) more children, Elijah, Thomas Jefferson, Washington, Susannah, Betsey and Milly in the next 17 years until his death in 1817.

Noah was in Allen County, KY in 1805 thru 1807. He also appeared in Allen County, KY in the 1820 Census. In the 1830 Census, he had moved to Henry County, TN. He is buried in the Beaver Dam Cemetery (Old Section) which is located on the north side of Highway 79-E, about 7 miles east of Paris, TN, near Simmons' Garage at Nobles.

Noah is the only Wimberly located there with a marker. I would assume other family members are also there, but the cemetery is now (1998) completely heavily forested with very mature trees making it very difficult to locate other graves and markers.

Notes for JAMES MADISON WINFREY, SR.:

I have James Winfrey, Sr. in my records as the younger brother of Rev. Henry Winfrey born 22 April 1767. Both are the sons of John Winfrey, Sr. and Mary Turpin. You may have all the names you care to gather on this family, but I'll be happy to share what I have on the family if you are interested.

One listing I have says James and "Winney" were married in Allen, KY, while the other says the marriage took place in Warren Co, KY. Rev. Henry was a separatist Baptist minister, and he and his family moved from Adair/Casey Co, KY, to Boone Co, MO, and later to Carroll Co, MO.

I rely primarily on a book titled "The Winfrey Family" by James C. Winfrey. I found the book both in Salt Lake City and in the library in my small hometown of Carrollton, MO. It seems to be very well researched. I am not a purist, so accept other's research. The Turpin line supposedly goes back to a Michael b. ca 1630 in

Yorkshire, England, while some researchers show the Winfrey line back to 1678 in New Kent Co, VA.

September, 1997

Mr. Thomas L. Wimberly; 1804 Julianne Dr; Marion, IL 62959; Dear Thomas; I am a Wimberly descendant living in Kentucky. My ancestor, Eady Wimberly was born in 1785-1786 in North Carolina. She married Francis Boren, a South Carolina native on March 30, 1805 in Sumner County, TN She died in 1854. They had a daughter, Nancy, born 1809, who married George Anthony on July 25, 1827. These people lived around New

Roe (Allen County), Kentucky which is near the Kentucky-Tennessee state line. Some genealogy records are on the KY side and others are on the Tennessee counties (Sumner County).

What little information I have agrees with your migration description of VA to NC to SC to TN etc. I would like to find out more about Eady Wimberly, family groups and the counties in Carolina and Virginia where the Wimberly surname appears in those early records.

I was impressed with your FTM home page. I write snail.mail due to lack of computer skills. You can e-mail to me on CompuServe at 74162,1232.

9. ENOCH¹⁰ WIMBERLY (LEWIS⁹, LEWIS⁸, THOMAS⁷, JOHN⁶, WILLIAM⁵, WILLIAM⁴, THOMAS³, WILLIAM², UNKNOWN¹) was born Abt. 1793 in Pendleton District, SC, and died Abt. 1845 in Missouri. He married UNKNOWN WIFE Abt.

1814. She was born Abt. 1795, and died Abt. 1830 in Missouri.

Notes for ENOCH WIMBERLY:

Enoch Wimberly was born in Pendleton District of South Carolina. He moved to Smith County, TN with his parents about 1802-1803. In 1814, Enoch married and soon got the urge to move to better farm land. He moved, with his family, to St. Charles County, Missouri, in about 1817.

Enoch Wimberly was listed in the Upper Quivre Township in the County of St. Charles, MO in the census of 1817. The census listed two persons of 18 and under 45, and two white females under 14 years of age. This would have been Elizabeth and Mary Wimberly.

Enoch Wimberly bought land on February 2, 1818 in St. Charles County. He purchased 157 and 80/100 acres. Sections or parts of section NW by E, Section 22 of Township 48, Range 1NW, near Reling Stream. John Armstrong purchased 159 40/100 acres in the SW part of this section.

The road to St. Charles in about 1817 was very busy. The settlers using this road west were mostly from Kentucky and Tennessee. The Kentuckians could be distinguished by their full blue jean suits; the Tennesseans wore brown jean coats and striped cotton trousers. During October of 1817, no less than 270 wagons and four-wheeled carriages and 50 two-wheel carriages and carts passed along the road, taking not less than 3,000 persons into St. Charles County. It was estimated that some 12,000 settlers preceded them at a rate of about 20 wagons per day.

Notes for CALEB Y. WIMBERLY:

Caleb Y. Wimberly was a SGT. of Company H, 30th Mississippi Regiment. He was captured on October 11, 1862 at Harrodsburg, KY. He was sent to Alton, Madison Co, Illinois for imprisonment. He died on January 28, 1863 of Erysihilas.

Conditions in the prison were harsh and the mortality rate was above average for Union prison. Hot, humid summers and cold Midwestern winters took a heavy toll on prisoners already weakened by poor nourishment and inadequate clothing. The prison was over- crowded much of the time and sanitary facilities were inadequate. Pneumonia and dysentery were common killers but contagious diseases such as smallpox and rubella were the most feared. When smallpox infection became alarmingly high in the winter of 1862 and spring of 1863, a quarantine hospital was located on an island across the Mississippi River from the prison.

12. REV. ELIJAH¹⁰ WIMBERLY (*LEWIS⁹, LEWIS⁸, THOMAS⁷, JOHN⁶, WILLIAM⁶, WILLIAM⁴, THOMAS³, WILLIAM², UNKNOWN¹*) was born November 14, 1800 in Pendleton Dist, SC, and died September 10, 1876 in Field Township, Jefferson Co, IL. He married MARIA HOLLAND 1820 in Smith Co, TN. She was born December 10,

1801 in Virginia, and died January 03, 1880 in Field Township, Jefferson Co, IL.

Notes for REV. ELIJAH WIMBERLY:

Elijah Wimberly left Smith County TN in 1830 and moved to Jefferson County, IL. He brought his wife, Maria, his five children, Evaline, Thomas, Louisa, Lanie, Lucy and two sisters, Milly and Betsey. According to later sources, there were 13 children born but only 11 can be accounted for as of 11/1998.

Elijah's father, Lewis, stipulated in his will that if Elijah would stay home and take care of his mother and his younger brothers and sisters, then he would inherit the plantation upon the death of his mother. In 1830, Elijah sold 300 acres of land in Smith County, TN to Jacob Uhles. (source: Katie Nola). This would indicate Elijah's mother (Polly or Mary) had died and he was released from his obligation to take care of his mother. Elijah immediately packed up his belongings and left for Jefferson County, IL.

AARON YEARWOOD

Aaron Yearwood came in December 1826. He was accompanied by his mother, with her two sons, Joseph and Robert, and by his brother William. With William came his wife's sister Betsy, now Mrs. Watson. The father of these three ladies, Robert Rankin, Sr., came a year or so later, and after a short stay, went to Shelby County, but left here his son Robert and Mrs. Robert Yearwood.

Old Mrs. Yearwood's husband's name was Frederic; she herself died in 1847. The next fall after Aaron's arrival, 1827, James Sursa, who's wife was sister to his wife and to Ward Webber, came out with his brother Jack Sursa. These men and one daughter were the children of Richard Sursa, who died in the War of 1812. Benjamin Webber came with the Yearwood's, married a Wilkerson, and settled at the Jordan or Coley Smith place on Seven Mile Creek. Ward Webber and John came three years later, 1829, the latter settling in the edge of Wayne County, while Ward located where Daniel Barfield afterward lived. Daniel was step son to James Sursa.

About the same time, 1829, William Byers came to the place still known as the "Old Byers place." Mrs. Byer's - "Aunt Nancy" - was sister to old Mr. Yearwood. Byers had a daughter already married to Joseph Brown. Pete Bruce, or Armstead W. and Moses Baugh, took one each, and the last girl (we suppose not finding a boy to suit her) was married to Fountain Garrison. He and James Garrison came in 1827, and James died of small pox a few years ago. James married a Wimberly; in two or three years after coming out, Fountain Garrison died.

Notes for JAMES MADISON WINFREY, JR.:

I have tried to research my Winfrey roots for years and kept hitting a brick wall with my Gggrandfather. I have just recently found out what the problem was. My GGgrandfather was also named James Madison Winfrey Jr, but have now found out that he was the son of Dicca Winfrey and an unknown party, and after she married, he kept the Winfrey name instead of taking the Pemberton name of his stepfather. I would love to correspond with you and would love to share what information I have. I am anxious to find out about this family.

When John Wimberly's first wife died, he went to work on a farm in Laclede Co, MO with Churchill Cadwallader and wife Elizabeth. They lived next to John Wimberly's sister Mary Ellis.

Children Richard Wimberly (Age 10) and Elizabeth Wimberly (Age 8) are listed with Agnes Powers 33, Lebanon, Leclde County Post Office in 1870. In 1880 Richard Wimberly, Age 20, was a hired hand in Wright County.

John and Eliza Jane (Keath) Wimberly had children, Thomas Homer, John W. , W. R., Ellen and Linda and an infant that died with its mother at birth sometime around 1886.

Eliza Jane (Keath) Wimberly died in about 1886 in childbirth. The baby also died. A Mrs. Merchant made dresses for Marie Ellen Wimberly, Linda Wimberly, and Elizabeth Wimberly to wear to their mother's funeral. After Eliza Jane died, Dr. Ellis, a country doctor, took the girls home and raised them.

John took his son, John W. with him and went down river somewhere (downriver would be towards Leclde Co, MO). John Wimberly died sometime later between 1886 and 1900. It is not known where and he is suppose to be buried in a county cemetery.

ENOCH¹¹ WIMBERLY (*ENOCH*¹⁰, *LEWIS*⁹, *LEWIS*⁸, *THOMAS*⁷, *JOHN*⁶, *WILLIAM*⁵, *WILLIAM*⁴, *THOMAS*³, *WILLIAM*², *UNKNOWN*¹) was born April 16, 1830 in Warren Co, MO, and died August 08, 1908 in Roseburg, Douglas Co, OR. He married NANCY ANN MARKS September 03, 1857 in Douglas Co, OR, daughter of ISAAC MARKS and ELIZABETH KAYS. She was born March 20, 1838 in Knox Co, IL, and died October 12, 1910 in Roseburg, Douglas Co, OR.

Notes for ENOCH WIMBERLY:

Both of Enoch's parents died in about 1840-1844. He was raised by foster parents, Nicholas and Delilah (Fine) Shrum, who lived in Camp Branch Township, which is at the northern part of Warren County, on a narrow strip of land bounded by Montgomery County on one side and Lincoln County on the other. Little is know about Enoch's childhood.

Enoch left Missouri with Nicholas Shrum and his family in April, 1846, and traveled by ox-train to Oregon. The following is an account of his trip told by Enoch to a family member:

"Left Warren County, Missouri, April 16, 1846, with ox-team, to cross the plains to Oregon. Crossed the Missouri river at Roachport. Buffalo in Platte country were more numerous than cattle in this country. Crossed the South Platte to the south after traveling up it for several days, thence up the North Platte to Fort Larrime. Up south side of North Platte several days. Spent July 4th at Independence Rock, Nebraska. This is an immense rock near Devil's Gate. Here the train divided and five families constituted the company the remainder of the way to Oregon. Nicholas Shrum was the captain of our train. With the party were his brothers, Thomas and "Jack" Shrum. Come by way of Fort Bridger, then to Fort Hall. We crossed the Snake river twice. Indians very peacable that year. Had no trouble with them. Immigration of '46 was the first to cross the Cascade mountains with wagons. The Shrum-Wimberly party came into the Willamette Valley by way of the Barlow Pass, south of Mount Hood, first year the route was used. Got to Foster's, the first house this side

(west) of the Cascades, about the 7th of October of the same year. Came to Howell Prairie, Marion County, Oregon, seven miles east of Salem, and spent the winter. Moved in the spring to the foot of Waldo Hills, five miles east of Salem. Lived there until the spring of 1848. Went into the service of the Cayuse War of 1847-1848, and served six months."

"Went overland to the gold mines in California in the spring of 1849. Started back to Oregon by water the 19th of August, 1849. Left San Francisco on the brig Quito, and made the trip to Astoria, Oregon in 51 days. Went from there to Portland in a small rowboat. The fare from San Francisco to Astoria was \$100.00 and from Astoria to Portland \$20.00."

"Remained in the Willamette Valley until the fall of 1854, then went to Douglas County where I took a quarter-section of land situated on the east fork of the Umpqua river, under the Donation Law. Was in the Indian War of 1855-1856."

"I was married on September 3, 1857, to Miss Nancy Ann Marks, who crossed the plains in 1853 with her brother-in-law, Andrew Johnson Chapman (grandfather of W. F. Chapman), and his young wife, her older sister. Also with them was the women's widowed mother, Elizabeth (Parker) Marks, who was born in 1801, while Thomas Jefferson was president. She is buried in the cemetery on the Wimberly Donation Land Claim at Glide, having died in February, 1884."

Enoch was a member of Prather's Spy Guards, and was mustered in a Deer Creek (Later called Roseburg) on March 6, 1856. He was discharged two months later on May 15, 1856. Enoch was a farmer and as most of the pioneers, a hunter.

Notes for NANCY ANN MARKS:

Nancy Ann Marks crossed the plains to Oregon in 1853 with her brother-in-law, Andrew Johnson Chapman (grandfather of W. F. Chapman), and his young wife, who was Nancy's older sister. Also with them was their mother, Elizabeth (Parker) Marks, who was born in 1801, while Thomas Jefferson was president. She is buried in the cemetery on the Wimberly Donation Land Claim at Glide, having died in February, 1884.

Notes for MARION ORVILL WIMBERLY:

I can add that the person I bought the photo from got it in Sacramento, Calif. so your guess that he might be the one from Glide, Oregon may be correct. I wonder how his photo got to Sacramento? Are there descendants there? I did find a 1889 San Francisco listing for a William T. Wimberly. I believe the writing on the front of the photo says "winter of 1884". Do you know Gary Marks of Phoenix, AZ or Pauline Marks of Salt Lake City? They have contributed info to ancestry.com about Marion Orville Wimberly. I found something interesting today in a letter that I have filed. It had more meaning after talking with you. Notes for STEPHEN BARKER:

I'm Gale in Logan Co., IL although I'm a Texan. We lived in Centralia for a few years and still visit friends down in your neck of the woods (Lake of Egypt) every summer. I'd much rather be in Southern Illinois than up here in the middle of all the corn and beans.

My ancestor is Patsy (your Elijah's sister) Wimberly Barker. Two of her sons, Lemuel b. 1822 and Stephen b. 1831 went in Lamar Co., Texas. Lemuel just prior to the 1850 census and Stephen by his marriage in 1852.

On you web page under Martha Patsy Wimberly, her death is listed as 1848, Allen Co. KY. Then under the new Lewis Wimberly section, it's listed as unknown. Do you happen to know which is correct?

By the way, you have a terrific web page! I really enjoyed the early Illinois sections.

I went to college in Huntsville, Texas (graduated in 1968). I've been through Wimberley, TX many times. Of course I had no idea then that there could be Wimberlys in my family.

Looking forward to hearing from you. (Submitted by Gale Wallen, <edwall@ccaonline.com>; 08/08/1999)

David must have been Elijah's business partner. He was 27 in 1860 and it listed his occupation as shoemaker just like Elijah's. Elijah's personal estate was worth \$550.00, Sarah's \$100.00. Thomas Jefferson Wimberly and his wife lived in poverty in their later life. After Thomas Jefferson Wimberly died, his widow lived with friends and finally lived with her son, Charles Franklin Wimberly, the peacher, until her death. There were attempts to obtain a soldier's pension based on James H. Wimberly's (their oldest son) Civil War illness but the pension was denied because James did not report on sick call when he became ill with hepatitis.

Thomas Jefferson Wimberly and his wife, Martha (White) Wimberly, were Charter Members of the Union Chapel Church east of Texico, IL.

44. LEWIS WASHINGTON¹¹ WIMBERLY (*ELIJAH¹⁰, LEWIS⁹, LEWIS⁸, THOMAS⁷, JOHN⁶, WILLIAM⁵, WILLIAM⁴, THOMAS³, WILLIAM², UNKNOWN¹*)²⁹ was born December 28, 1833 in Field Township, Jefferson County, IL, and died September 02, 1895 in Independence, Inyo CO, CA. He married ELIZABETH FIELDS³⁰ Abt. June 1860 in California, daughter of JEREMIAH FIELDS and MARY DIMSON. She was born July 18, 1844 in Field Township, Jefferson County, IL, and died Abt. 1870 in Placerville, California.

Notes for LEWIS WASHINGTON WIMBERLY:

Lewis (Louis) W. Wimberly died at the residence of his son-in-law, Neil McLean, at Independence, (CA) on the 7th of September, 1895, and was buried in the Masonic Cemetery last Sunday. The deceased had lived at Keeler, CA for a number of years and had many warm friends in the southern end of the valley. He had been ailing for a long time, and his death was not unexpected.

(Inyo Independent Newspaper, Friday, September 13, 1895)

Received from Nancy Masters, Inyo County Courthouse, 01/22/1996.

Phoenix McFadden, 714-376-8216 [01/24/96]

The cemetery borders Clay ST from Pavilion ST to the creek and runs eastward approximately two blocks. It is a neatly fenced cemetery with good clean grounds maintained by a local cemetery district. It is located across the street from the Inyo County High School and the Church of Jesus Christ of the Latter Day Saints. This cemetery was inventoried on July 20 and 21st of 1965 by Sherman Lee Pompey and records compared with those of Mr. Ray Lusher, Veteran's Service Officer and a member of the Cemetery District of Independence.

Listed: Wimberly, Louis Washington, 28 December 1833, 7 September 1895, aged 61 years, 8 months and 9 days. (Source: California, Inyo County Cemeteries, microfilm #1421677). I have Louis Washington Wimberly listed as being born on April 21, 1833. There is a conflict on his birth date.

Louis Wimberly was 5' 11" in height and was born in Illinois. His place of residence was Keeler, CA. He was a farmer in August, 1888 at the age of 56 and he lived in Lone Pine, CA

In 1860, he was a resident of Mud Springs, El Dorado County, California. He was 27 years old. His occupation was a miner with real estate value of \$800.

In the 1875 State Census of Nevada, this is a listing for Louis W. Wimberly, 42 years of age, Annie Wimberly, 13 years of age (his daughter); and Robert L. Wimberly, 11 years of age (his son). The Washoe County Newspaper Index has an entry for Louis W. Wimberly as a member of the Washoe County Grand Jury, Nevada State Journal, January 6, 1876, 3:3, and has one listing for Robert, Roll of Honor, Huffaker School, and one for March 26, 1876, 3:3. All were living at Huffaker. In the 1880 Census, there is a listing for Robert Wimberly and Annie L. Wimberly.

On May 20, 1878, Louis W. Wimberly transferred title to land (40 acres) he was part owner in Field Township, Jefferson Co, Illinois to his brother, Bennett F. Wimberly. At the time of the transfer, Louis was recorded as living in "Washa County, Reno, NV". On April 15, 1880, Louis again transferred ownership of property (160 acres) he was part owner in Jefferson Co, IL to his brother, Bennett F. Wimberly. Louis received \$250.00 for his share of the land.

Cause of Death: Old age

Occupation: Miner

Notes for ELIZABETH FIELDS:

Elizabeth Fields died in about 1870 and the cause of her death was Indians. Indians at that time in California were small tribes and had a habit of raiding cabins while the man of the house was away. If Louis was away at work (he was a miner) and Laura and Robert were at school. then it could have been Elizabeth was alone in

the cabin when it was raided by a small tribe of Indians. The death of Elizabeth was confirmed by Neil McLean and Aunt Lucille in 1979. Aunt Lucille stated that her mothers' parents (Elizabeth Fields) died when her mother (Laura) was 8 or 9 years of age.

She was born 1843 in Marion Co, IL, and died 1926 in Dix, Rome Township, Jefferson Co, IL.

Notes for BENNETT FRANKLIN WIMBERLY:

Bennett Franklin Wimberly, farmer, PO Dix, was born in this county (Jefferson) on June 25, 1843; is the son of Elijah and Maria (Hollin) Wimberly. She was a native of Virginia, he of Tennessee. They came to this county at an early date, and died here. They were the parents of thirteen children, of whom four sons and two daughters are still living. Our subject's early life was spent in tilling the soil, and with but little advantage for a school education. When reaching his majority, he embarked in life for himself, and has through his own exertions been very successful. Most of his life he has been engaged in farming, but for eighteen months was in the mercantile business at Rome. He now, however, is actively engaged in making his present farm of 160 acres a complete success. In 1865, he was married to Miss Sally Walls. She was born in Marion County, IL, daughter of Henry Walls. Five children are the result of this union, viz.: Alonzo, Emma, Robert, Clarence and Cora. In politics, his views coincide with those of the Democrat party.

At the age of twenty-one, he was tax collector and assessor of Fayette County, AL and was treasurer and superintendent of education for a number of years for Lamar County. He was mayor of Vernon, AL for a long period; during the war between the states, he was captain of Company G, Twenty-Sixth, Alabama, CSA.

Lewis Wimberly was still living in 1902. He was a veteran of the Civil War having fought with the Confederate Army. He was attached to the Alabama 26th, Company A. In Special Order Number 130, A. & I.G.O., by command of the Secretary of War, June 1, 1863, shows Lewis M. Wimberly was a Captain in Company I, 26th Alabama Volunteers. There is a document that shows Lewis M. Wimberly resigned from Company I in January, 1862.

Captain Lewis M. Wimberly received a severe wound in the lungs at Gettysburg, PA.

The 26th Alabama Infantry Regiment was formed at Tusculum in December, 1861, using the 7-company 3rd AL Infantry Battalion as a nucleus. Men were recruited from Fayette, Marion, Tuscaloosa, Walker, and Winston counties. Two companies under Major J. S. Garvin were soon ordered to Ft. Donelson and captured in that fight on 16 February 1862. After being exchanged, they joined the regiment in Virginia. It was in Gen'l Gabriel James Rains' Brigade at Yorktown, under fire but with few casualties. After moving up to Richmond from Williamsburg, the regiment was assigned to Rodes', O'Neal's, and Battle's Brigade, Army of Northern Virginia. It lost 22% of its number at Seven Pines and was reduced to half strength at the end of the Peninsular Campaign. As the army crossed the Potomac, the 26th was in the vanguard and engaged in both Boonsboro and Sharpsburg, losing 10 killed and 45 wounded in those struggles. Wintering on the Rappahannock, the 26th was present at Fredericksburg. It was then in the flank attack with Jackson's Corps at Chancellorsville (116 casualties), Col. O'Neal leading the brigade.

The 26th moved to Gettysburg and fought there with losses of 7 killed and 58 wounded, with 65 missing. They retired with the army into Virginia and skirmished at Kelly's Ford and Mine Run. During the winter, the Alabama legislature petitioned to have the regiment sent home for recruiting. By February, 1864, the regiment was stationed at Andersonville, GA, guarding Union prisoners of war. In the summer (June), the 26th was attached to Brig. Gen'l James Cantey's Brigade and fought with the Army of Tennessee from Atlanta to Bentonville. It moved with Gen'l John Bell Hood into Tennessee where it was badly hurt at Nashville. Only a remnant surrendered at Greensboro, North Carolina, to which place it had been transferred.

E-mail received from Wanda Swain: My gggrandfather, Lewis Marion Wimberly, married Dorcas Tabatha Reynolds. He was a justice of peace in Fayette County, AL during 1866 & identified as minister on marriages performed during 1888-89. Church unknown and date of his marriage unknown. One daughter, my gggrandmother, was named Texas Alabama, according to family lore because she was born during a move from one state to the other -(not sure which direction) in 12/27/1876. Some family photos have identification on backs spelling the name Wemberley. Does this info match up with anyone else research? If so, sure would like to communicate. Notes for JAMES RILEY WIMBERLY, SR.:

I talked with my brother Grady yesterday. He said that you had a book on the Wimberlys. I was wondering how you were able to get ahold of it. It's not one of those 'formula' genealogical books, is it?

If you still have it, could you look up a name for me to see if there is a connection with our side of the tree? The name is James R. (I think it's R for Riley) Wimberly. He was born in Georgia or Florida (Post, Madison Co.) on 15 Dec. 1830 and died in Mayo, Lafayette Co., Florida on 18 Aug. 1883. If he or his kin show up in the book I KNOW I will be interested in it--might be interested anyway. Thanks for looking it up for me!

=====

Hi Tana,

The short answer..... No, but some of records give a hint to several possibilities.

The 1850 Census of Henry County lists the family of John Henry Williams, Jr., age 25, living in the 15th district near the family of William M. Williams, age 38. Most references indicate that the 2 families were not recently related, (and John's 2nd son, John Leonard, later married William M.'s youngest daughter, Sarah). THE census goes on to list John's wife, Elizabeth C., and 2 sons, James M. & John Leonard, ages 4 & 2 respectively, along with a child, Nancy OLIVE, age 1. Goodspeeds' History of Henry County also list the baby as Nancy OLIVE, and not Nancy WILLIAMS. Additionally, from the birth dates of John Leonard and Nancy OLIVE is highly unlikely, but not impossible, that Elizabeth could have had Nancy so soon after John Leonard.

However, more of the story lies down the road in William M. Williams household where you find Martha (Mary) OLIVE, age 17, (quite possibly, Nancy's mother or sister) living in the household along with Spencer GREEN, age 8, Davidson GREEN, age 6, Benjamin Franklin GREEN, age 3, and Lucy Ann WOOD, age 12, plus Williams' sons, Robert W, age 16, & William Cicero, age 10, and daughter, Mississippi L., age 12. It appears that William & his wife, Nancy, age 40, not only were raising their own family, but had taken in a few orphans as well. Additionally at this time, Williams wife, Nancy, was pregnant with their next daughter, Sarah, which is probably why baby Nancy OLIVE was down the road with the John & Elizabeth.

Interestingly, Nancy OLIVE Williams and James Monroe Wimberly named their 1st daughter, Mary OLIVE Shelly Wimberly, and their 1st son, David GREEN (from the William M. orphans) Wimberly.

Nancy OLIVE Williams is my wifes' 2g-grandmother. I have not been able to determine Nancy's parents so far. The records are quite sketchy. If you can provide any information, I would greatly appreciate it.

Let me know, Dave L. Snow (dlsnow@worldnet.att.net)

Notes for ENOCH CALHOUN WIMBERLY, SR.:

I was so excited to find information on Clyde that I could'nt sleep. You see, Clyde dissappeared from the family, and his brother, my great grandfather, searched for him his whole life. My grandmother, Dorothy (Wimberley) Lawson has told me many times how her father would search for his brother Clyde. Since my grandmother has lost two of her brothers this year, I have been trying even harder to find Clyde's family (She is seventy-six years old).

I am sure that this Clyde is my Great uncle, much of the information matches. There are some differences though. Where they have Parthena Johnson, I know it was Marthena Prock. Their family would have been far from the others for so long that this difference was bound to appear. The date of Clyde's birth was little different from the Census Records also, but I have been told that this can happen. Other than this, the other dates and names fit. Also, my family was in Hartville Missouri. (Sondra Bergman; e-mail)

JOHN THOMAS¹² WIMBERLY (*PRESTON LEWIS¹¹, LEWIS M.¹⁰, LEWIS⁹, LEWIS⁸, THOMAS⁷, JOHN⁶, WILLIAM⁵, WILLIAM⁴, THOMAS³, WILLIAM², UNKNOWN¹*) was born April 01, 1858 in Vaiden, Carroll Co, MS, and died December 05, 1923 in Silverton, Briscoe Co, TX. She was born May 17, 1857 in Magnolia, Columbia Co, AR, and died September 29, 1953 in Silverton, Briscoe Co, TX.

Notes for JOHN THOMAS WIMBERLY:

John Thomas Wimberly was a pioneer with a group of people who moved "West" to find a better life. One hundred miles west of Ft. Worth, TX was not where he and his brother, Cooper Wimberly, wanted to stay. So they came to Briscoe County area before it was organized. The grass was tall and the cattle fat so their dream of becoming a "Texas Rancher" was coming true. They went back to Stephens County and told their younger brothers about the opportunities in West Texas. After 1900, all of the family had settled in Silverton, Abernathy, and Midland, TX.

Notes for JOSEPHINE CYNTHIA TURNER:

Josie (Turner) Wimberly was a young widow with 3 daughters when she came to Briscoe Co. from Mason County, TX. Her husband, Orren Allen, and a son, had died in 1889. She filed on land near her brothers. Soon, John T. Wimberly was going by her "Dugout" to help this "pretty little widow". On September 29, 1892, he went by in his buggy and they went to Silverton to be married. They sat in the buggy as Rev. Beck said the ceremony in front of a small building being used as a courthouse. Beck was a teacher and several of his pupils witnessed the ceremony.

Notes for LOUELLA WIMBERLY:

Luella Wimberly died when she either committed suicide or accidentally hung herself from an apple tree in the orchard of her father, Thomas Harvey Wimberly. There are unconfirmed reports she had been sexually assaulted by her brother, Walter, and was pregnant. The shame was so great because her parents were so religious (her great-grandfather Elijah was a minister) that certain members of the family believe Luella decided the best way out of the embarrassment was to end her life.

The death could also be an accident. No inquest was ever held that the editor knows about.

There is also a possibility that Walter killed Luella because she was pregnant. Her brother, Wallace, and her sister, Maude, found her hanging in the tree but could not remember any other details. Wallace was never interviewed by this reporter on the matter up to his death in 1967 because no one in the family ever talked about the incident. The secret was revealed in 1985 when the reporter, Thomas Wimberly, interviewed the daughter of Maude, Ila Mae (Whitlock) Hughes.

He married (1) CORDELIA LUNSFORD⁶⁶ February 14, 1889 in Benton, Franklin CO, IL, daughter of JOSEPH LUNSFORD and JANE NEAL. She was born Abt. 1871 in Franklin Co, IL. He married (2) CLARA MAUDE KNOTT⁶⁷ August 28, 1895 in Bedford, Taylor Co, IA, daughter of THOMAS KNOTT and MARY SIMMERMAKER. She was born April 12, 1876 in Tipton Co, IA, and died October 07, 1956 in Louisa Co, VA.

Notes for DR. REV. CHARLES FRANKLIN WIMBERLY:

Charles Franklin Wimberly was involved in somewhat of a scandal while he attended Ewing College in Ewing, IL. In 1888 and 1889, Charles was involved in a "fame-up" that almost destroyed his career as a minister. Charles was living at the home of a prominent citizen of Ewing. He allegedly got involved sexually with the cook at the house through the son of the owner of the house. When the cook got pregnant and the grown son disappeared, the cook placed the blame on Charles and had him arrested. Charles married the girl and promptly left her. He did, however, pay support for many years after for the boy that was born.

In 1904, probably after the story about his "problem" became known at the church in Excelsior Springs, MO, where he was pastor, he asked the former "acting president" of Ewing College at the time of his "problem", John Richeson, to write a "character reference" letter for him. It probably did little to save his ministry for it was two years, in 1906, before he obtained another church. His next church was located at Louisville, Kentucky.

No one in Charles Franklin Wimberly's family knew about the letter until the early 1970's when the following letter was discovered in some of Charles' papers. Everyone in his family was shocked and surprised that something as scandalous as what happened could be kept a secret for so many years without someone in the family knowing about it.

The young lady referred to in this story, Cordelia Lansford, was left by herself to raise the boy (Charles M. Wimberly) who was born from this unfortunate situation. Charles was a coal miner and lived in Marion, IL. He married Nettie Copher and they had four fine children. Charles died young, however, probably from "Black Lung" disease, on November 11, 1938 at the age of 47.

I found your page on the net interesting...Lewis Washington Wimberly was my great great grandpa. I am now just learning more about him. My uncle, who's name is Neil McLean, is our family historian. He supposedly has lots of family history information. I live in Idaho (North), but grew up in Los Angeles. Lewis's daughter, Annie Laura, was my great grandma, and she married Neil MacLean who also was a miner. Neil has a great history also of owning a railroad grading company that worked all over Northern California and Nevada. He is greatly known for being an honest man of the times.

Well, if there is anything else you can share back, I'd love to hear. I am really interested in learning more also of the Fields. Submitted by Gena McLean; December 18, 1998; <7sister@micron.net>

Notes for NEIL MCLEAN:

In the 1880's Keeler, CA was the southern terminus of the C&C Railroad. The primary property in that area at that time was the Cerro-Gordo Gold Mine which is currently owned by Jody Stewart.

I have copies of voting records back as far as 1878 listing Neil McLean, Lewis W. Wimberly, and Robert Lee Wimberly as residents of Keeler, CA. Sometime in the late 1880's, Neil McLean met Annie Laura Wimberly and in March, 1891, they were married at the Inyo County seat in Independence, CA. From that union were born four children all in the 1890's.

By 1900, Neil had been a freighter, or as known then a teamster, for about 20 years. Freight in those days was an industry much like today only the technology was different. Huge quantities of freight were hauled south over the rails thru Owens Valley then unloaded at Keeler. Gold ore from the Cerro-Gordo Gold mine would be loaded on the then empty cars and hauled north. The freight would be re-loaded onto huge freight

wagons pulled by 20 and 30 horses or mules. They would literally spread out across the desert floor.

In November, 1900 Neil wandered across the Nevada State line into what was to be Tonopah, NV and met a fella by the name of Jim Butler. Neil and Jim created what was probably the first non-mining contract in town. Jim hired Neil to deliver 100 horses. Neil delivered those critters in early 1901.

Over the years, Neil, the Scotsman, developed a working relationship with an Irishman named John McSweeney. On January 2, 1904, the contracting firm of McLean and McSweeney won the bid for most of the labor to lay the track for the first railroad to Tonopah, NV. That task was completed in May, 1904.

The four children born from that marriage in 1891 (Evelyn, Francis, Winsor, and Marguerite) attended school in Tonopah from late 1905 until sometime in 1912. Of the three girls, two became school teachers and the oldest, Francis, became one of the first female doctors licensed in the State of California. Neil and Laura named their only son after the guy that married them, Winsor.

Between 1905 and 1911, Neil was the primary contractor for the railroads built to Silver Peak (1906), Goldfield (1905), and the B&G (Bullfrog and Goldfield Railroad) was completed in 1907 to Rhyolite, CA. In 1911, Neill took 400 men from the Tonopah and Goldfield, NV area to Laws (near Bishop) for a sixty-day project. He completed the contract but the tracks were never laid for what was suppose to be an electric railway.

In late 1912, Laura decided she had had enough of Tonopah, NV and insisted on moving to the big city to the south, Los Angeles. Although the family moved to Los Angeles, CA, Neil continued to have a hand in the operation of McLean and McSweeney until his death in 1922. Jim Butler died in 1923.

On July 6, 1991, the McLean family will be holding a 100 year family reunion at the Lions Club in Tonopah, NV.

Notes for ROBERT LEE WIMBERLY:

Justifiable Homicide

Miss Bertha Bennett Shoots Robert L. Wimberly in Self Defense.

Robert L. Wimberly, a well known miner of Downieville, was shot and instantly killed, on Friday afternoon of last week, Aug. 25th, by his sister-in-law, Miss Bertha Bennett, under circumstances, according to her statements, which caused the authorities to refuse to place her under arrest, and the coroner's jury later to fully exonerate her as a case of justifiable homicide. All the principals in the deplorable affairs are well known in Downieville, and nothing caused such a profound sensation in this peaceful and orderly community as the news of the tragedy when circulated like wild fire early Friday evening.

County Coroner McDonald and County Physician Duty immediately repaired to the scene on the old Jenkin's ranch on the South Fork of the North Yuba. Meanwhile Miss Bennett and her sister, the wife of the deceased, started for Downieville, Miss Bennett with the purpose to give herself up to Sheriff McGregor. A statement of the facts having been given District Attorney Redding, the ladies, on his suggestion as well as that of Sheriff McGregor, returned to the ranch to await the verdict of the coroner's jury. Miss Bennett's home is in Grants Pass, Oregon, in which she and her sister were born. Since Mrs. Wimberly's residence in Downieville, Miss Bennett has occasionally spent her summer vacation here.

It seems that Robert Wimberly had become infatuated with her and she wisely chose to foreshorten her present vacation and return to Oregon the latter part of last week. According to her testimony to the coroner's panel last Saturday she was engaged the day before in assisting her sister about the house in domestic duties, and had gone to the spring some distance from the house for a bucket of water, when Wimberly appeared and at the point of a pistol compelled her to accompany him to a distant part of the field on the hillside, beyond a rise out of view of the house. He overcame her protests by threatening her. Just before reaching the spot she momentarily lost consciousness and on coming to, found Wimberly attempting to rape her person. Her resistance was met with threats of death to herself and himself, she alleged. Her pleas and appeals to his mercy, she stated, were also unavailing. He then laid the pistol on the ground but within her reach. Taking it up, she declared, she threatened to shoot if he did not desist. He attempted to take the weapon from her, whereupon she pulled the trigger. The bullet entered his head at the left ear and penetrated his brain. Death was instantaneous. Miss Bennett went to the house and told her sister what had happened and the two women went to the place of the struggle. Then they started for town after sending Jim Alexander to notify the authorities.

Miss Bennett's appearance and that of Wimberly's body corroborated her story and, as stated above, the authorities decided not to place her under arrest.

Miss Bennett's testimony at the coroner's inquest was in accordance with the main facts as related above, and the jury promptly returned a verdict of justifiable homicide. She had shot, according to her testimony, to save her life and honor.

Funeral services were held over the deceased in the Methodist Church on Sunday afternoon. Rev. L. P. Walker preaching an appropriate sermon and extending the sympathies of the community to the bereaved widow and children. The attendance at the services were large. Interment of the remains took place in the Downieville cemetery.

Wimberly was a native of Placerville, Eldorado County, Cal, and at the time of his tragic demise was nearly 42 years old. He had been a resident of Downieville 12 years, and for some time interested with Fred Bosch, Jr., in a group of mines in the Gold Valley ridge country. The property or its management, caused a disagreement between the partners and their affairs were carried into court. The property was sold by order of the Court last Monday, Val Hartling being commissioner. The trouble terminating in the sale appears to have worried Wimberly and of late he had been drinking. It is known that he was under the influence of liquor the day of the tragedy. Wimberly had a wide circle of acquaintances and was held in high esteem by his friends, being regarded by them as a hard working and honest miner.

Mrs. Wimberly's testimony was to the effect that the deceased, her husband, had some weeks ago shown an infatuation with her sister, and also laterly had drank very heavily.

Miss Bennett, who is 18 years old was a favorite here socially, and all deplore the unfortunate affair. Her return to Oregon has been postponed for the present.

Vivian Wimberly became a mining engineer and married a doctor from New York, NY. During the summer months in the 1910's, she would travel to Santa Monica to spend her summers with Annie Laura Wimberly. (Vivian would have been 13 to 23 years of age in the 1910's)

"In my search for more information, I (Neil McLean) bought "Mining Districts and Mineral Resources of Nevada." Not the most stimulating book I have ever read. There was something very interesting . There was a town called Candelaria, NV about 60 miles west of Tonopah. At one of the big mines (Candelaria Mine Company), there appeared on the list of officers (Treasurer) a V. Wimberly. The interesting thing about this is that when my grandfather (Neil McLean) set up his freight line business for the Tonopah area, his home base was out of Candelaria . The family lived at Candelaria for about 4 years (1900-1904). Laura Wimberly must have had some discussions with her niece, Vivian Wimberly."

"According to Aunt Lucille, Vivian Wimberly was a very bright girl who had a mining degree from Nevada University. She moved to New York in about 1928 where she married a "well to do doctor." Wouldn't it be neat if could find out if she had any kids and we could make contact with them."

"Vivian Wimberly would have been about 25 or 26 when she was Treasurer of the mining company. In those days women at that age didn't get a job like that unless you had a lot on the ball,"

"The Corporation's headquarters for the mine was located in San Francisco. There is no reference as to where the officers lived". Submitted by Neil McLean; 09/24/1999.

Notes for FRANCIS MARION WIMBERLY:

I believe my great-great-grandfather and great-great-grandmother died young. The only information that I have on them comes from my great-grandmother's death certificate. It gives her father's name as Marion Wimberly and her mother's name as Nancy (Unknown). Nancy's last name could be Pate, Pater or Porter. They probably died before 1889.

Marion and Nancy's daughter's (my great-grand-mother) name was Texas "Texie" Alabama Tennessee Wimberly. She was born somewhere in Texas on December 27, 1876. She married William M. Kirkley on December 22, 1889 and on her marriage certificate it said she was over 15 years of age (she was only 13 years of age) and had no parents or legal guardian. She died January 23, 1956 in Fayette, AL, and was buried at the Bethel Baptist Church Cemetery at Fayette Co, AL. Her parents (who's ages were probably 27 and 24) moved from Fayette, AL to Texas sometime before she was born in 1876.

The relatives I have living do not know much about the Wimberly side of the family. I'm having a difficult time

finding them listed on a census. I have found a Lewis and Dorcas Wimberly on the 1850 Fayette Co. AL census with a child named Marion, age 1, that could be my Marion but I have not found Marion listed in the 1870 and later census with a wife named Nancy and any of their children. If they died about 1888, then they would only have been listed in the 1880 census of Texas (or Fayette Co, if they returned to Alabama).

The only two children that I know they had were my great-grandmother Texas Alabama Wimberly and a sister named "Matt" Wimberly (probably Mattie). Submitted by Peggy Young; March 19, 2000; <peggy1@network-one.com>.

I have wrote to you before in asking for help on finding my g-grandmother, Texas Alabama Wimberly. I am proud to say that I have found her with her parents, Francis Marion and Nancy M. Porter Wimberly, on the 1880 census. Texas Alabama Wimberly Kirkley's grandfather was Lewis Monroe Wimberly. I have posted on the Wimberly's gen forum and will be glad to give you other information on this family so as to make corrections in your database. Submitted by Ruth Onsbly; Dec. 4, 2000; <ronsbly@onecallinc.com>

To all that is interested in Lewis Monroe Wimberly and Dorcus Tabitha (Reynolds) Wimberly's son, Francis Marion Wimberly. Francis Marion can be found on the 1850 Fayette Co. AL. census with his parents listed as Marion at the age of 1 year old and born in AL.

Francis Marion can be found on the 1860 Fayette Co. AL. census with his parents listed as Francis at the age of 10 years old and born in AL.

Nancy M. Porter can be found on the 1860 Fayette Co. AL.census with her father, Samuel Porter. They are living close to Francis Marion and his father.

Francis Marion can be found on the 1870 Fayette Co. AL. census with his new wife, Nancy M. Porter. Francis Marion is now 21 years old and is listed as F.M.Wimberly on this census. Francis and Nancy were married on Dec. 28, 1869 in Fayette, AL. at the home of Samuel Porter.

Francis Marion can be found on the 1880 Washington Co. Arkansas census (the census that I have searched for so long in order to prove a connection) with his wife, Nancy, a daughter named, Martha H., my g-grandmother named, Texas, and a son named William. All three of there children were born in TX.

The child that is listed as Martha H. could possibly be the one they called "Matt" that I remember as a child living with my g-grandmother, Texas "Texie" after her husband, ? Stockman died. Does any one have information on them? Can any one connect to the son called, William? Submitted by Ruth Onsbly; December 6, 2000; <ronsbly@onecallinc.com>

Notes for NANCY M. PORTER:

I believe my great-great-grandfather and great-great-grandmother died young. The only information that I have on them comes from my great-grandmother's death certificate. It gives her father's name as Marion Wimberly and her mother's name as Nancy (Unknown). Nancy's last name could be Pate, Pater or Porter. They probably died before 1889.

Marion and Nancy's daughter's (my great-grand-mother) name was Texas "Texie" Alabama Tennessee Wimberly. She was born somewhere in Texas on December 27, 1876. She married William M. Kirkley on December 22, 1889 and on her marriage certificate it said she was over 15 years of age (she was only 13 years of age) and had no parents or legal guardian. She died January 23, 1956 in Fayette, AL, and was buried at the Bethel Baptist Church Cemetery at Fayette Co, AL. Her parents (who's ages were probably 27 and 24) moved from Fayette, AL to Texas sometime before she was born in 1876.

The relatives I have living do not know much about the Wimberly side of the family. I'm having a difficult time finding them listed on a census. I have found a Lewis and Dorcas Wimberly on the 1850 Fayette Co. AL census with a child named Marion, age 1, that could be my Marion but I have not found Marion listed in the 1870 and later census with a wife named Nancy and any of their children. If they died about 1888, then they

would only have been listed in the 1880 census of Texas (or Fayette Co, if they returned to Alabama).

The only two children that I know they had were my great-grandmother Texas Alabama Wimberly and a sister named "Matt" Wimberly (probably Mattie). Submitted by Peggy Young; March 19, 2000; <peggy1@network-one.com>.

I have wrote to you before in asking for help on finding my g-grandmother, Texas Alabama Wimberly. I am proud to say that I have found her with her parents, Francis Marion and Nancy M. Porter Wimberly, on the 1880 census. Texas Alabama Wimberly Kirkley's grandfather was Lewis Monroe Wimberly. I have posted on the Wimberly's gen forum and will be glad to give you other information on this family so as to make corrections in your database. She was born Abt. 1858 in Cincinnati, OH, and died June 1942 in Mt. Vernon, Jefferson Co, IL.

Notes for DR. WILLIAM KEPLER PARKER:

William Kepler Parker was born March 3, 1851, in Mt. Vernon Township, near the site of the present Elks Country Club. His parents were Dr. James Thomas Parker and Miccah Ann Hutchison. While he was still a boy the family moved to Clay County, but lived there only a few years. The father died in December, 1864, and the mother and six children returned to Jefferson County in 1865.

William farmed in early life. When about twenty-one years of age, he began reading medicine with Dr. W. Duff Green of Mt. Vernon, and also worked for about four years in the blacksmith section of the railroad shops. In 1883 he was graduated from the College of Physicians and Surgeons of Keokuk, Iowa, and immediately began the practice of medicine at his home in Field Township.

On September 15, 1886, Dr. Parker was married in Mt. Vernon to Laura Ella Dennison, who was born in Cincinnati, Ohio, and reared in Franklin County, Indiana. Her parents were both natives of England. Except for a few years residence in Kell, Dr. and Mrs. Parker spent most of their married life in Field Township, at their home just west of Divide. About 1931 they moved to Dix, where Dr. Parker continued his medical practice until he was eighty-five. He received a Fifty Year Award from the Illinois State Medical Society.

Dr. Parker died in June 1940 at his home in Dix. Mrs. Parker died in June 1942 in Mt. Vernon, at the home of her son Fordyce Parker. Both are buried in Union Chapel Cemetery. They were the parents of five children: William Garfield Parker, M.D., a Mt. Vernon physician for over fifty years; Talmage DeWitt Parker, cashier of the former Bank of Divide, and for many years with the Wabash railroad; James Fordyce Parker, at one time a teacher, and a long-time employee of the Mt. Vernon Post Office, now retired; Sidney Lawrence Parker, a teacher, a county superintendent of Jefferson County schools, and a member of the Illinois State Legislature for several terms; and Ruth Mary Parker, now retired, who formerly taught school, and was also an employee of the Illinois State Library for a number of years. In 1936, Dr. and Mrs. Parker celebrated their Golden Wedding anniversary, with all their children and grandchildren present.

i. WANDA¹⁴ WIMBERLY⁸⁸, b. Abt. 1920; m. H. BEN COOPER, Abt. 1938; b. Abt. 1918.

Notes for WANDA WIMBERLY:

First, let me introduce myself. I am Wanda (Wimberley) Cooper, daughter of Enoch Calhoun Wimberley, born December 20, 1889 in St. George, Wright County, MO. His father was Enoch C. Wimberley b. 1854. According to my father, Enoch (b. 1854), his father, died about 3 weeks before he was born on Dec. 20, 1889. Once source says Enoch (b. 1854) died Nov 26, 1889, another source says Dec 6, 1889. Family Bible records kept by his daughter, shows Nov 26, 1889. This is the record I am going by (because) it fits my father's story.

Enoch (b. June 14, 1854), married Marthena Prock (b. March 18, 1851 in Missouri - d. Sept. 1, 1927 in Mansfield, Douglas County, MO). Where the Parthena Johnson came from in your family tree, I do not know. Marthena is my grandmother. Her son Enoch Calhoun (b. 1889) is my father.

Wimberley lineage: Enoch Calhoun (b. 1889), his father was Enoch C. (b. 1854), his father was John (b. 1820) in MO, and John's father was Enoch (b. 1793). Enoch and Marthena had several

children, not only Clyde. For more information on these Wimberleys contact me at:
bcooper@famvid.com

Thought you might like to correct the Enoch C. line. You have done a wonderful job on the Wimberleys. In the near future we will be posting a family tree on the Wimberleys, Procks, Williams and numerous other surnames. Best wishes, Wanda (Wimberly) Cooper). We use Family Tree Maker software. Altus, OK 73521

Dear Mrs. Ochletree:

I was glad to have your April 21 letter, which I received almost by chance as it was in my mail when we unexpectedly returned to Altus this week-end. I could not guess when I inserted that YANKEE inquiry I would be away from Altus almost all of the time through May.

I know of nothing to connect our lines though I never pass up an opportunity to try to develop something which (selfishly) might help me and several others who are trying to learn who were the parents of our great-great-grandfather. He was Lewis M. Wimberly, born about 1738 in Bertie County, North Carolina, was in the Chatham Co. 1790 Census, in the 1800 SC census and died 1817 Tennessee where the original copy of his will is on Smith Co. records. He had almost 20 children, (I'll send you a listing later). His first marriage was to my great-great-grandmother, Martha Barbee Wimberly, and after her death, he married a Polly ----, who was in the 1820 Smith Co, census, Tennessee.

I never heard of a Wimberly (Wimberley) who did not go back to the NC group, if he or she had traced his or her ancestry. That sound like a sweeping statement but it isn't as of course there are thousands of Wimberl(e)y's I've never heard of. But later, late next month or early June when I am here to take care of things I will send an outline of what we believe is the original North Carolina Wimberl(e)y family - certainly an outline which has been throughly documented.

A son of this 1738 Lewis, also named Lewis and born in South Carolina, went to Mississippi from Tennessee. The family (some of them I should say) left Mississippi after the civil war and my father was born in Arkansas in 1874. The family went to Texas when he was 3-4 years old. We have large amounts of family history but there were two lewises only in the first census, 1790 and we know the one in Chatham county heads our line - but cannot prove up to now his own parentage.

All of this may be of no interest to you. But if it is not too much trouble, and you send me more of an outline about your own heritage, maybe I can be of some help to you - and who knows, I might find a connecting link to determine whether or not the Thomas of the 1751 was the father of our Lewis. We assume nothing until it is probed but without the final proof we are convinced "our" Lewis or the other Lewis who was also in the 1790 North Carolina census was the Lewis who was included in the estate distribution following proving of that 1751 will.

Sincerely,

Frank E. Wimberly

181. WALLACE LABON¹³ WIMBERLY (*THOMAS HARVEY¹², THOMAS JEFFERSON¹¹, ELIJAH¹⁰, LEWIS⁹, LEWIS⁸, THOMAS⁷, JOHN⁶, WILLIAM⁵, WILLIAM⁴, THOMAS³, WILLIAM², UNKNOWN¹*) was born September 11, 1885 in Texico, Jefferson Co, IL, and died October 02, 1967 in Marion, Williamson Co, IL. He married ALICE WESTER BYARS May 02, 1909 in Plainview, TX, daughter of JOHN BYARS and ROSE BROWN. She was born October 10, 1884 in Kell, Marion Co, IL, and died October 06, 1976 in Mt. Vernon, Jefferson Co, IL.

Notes for WALLACE LABON WIMBERLY:

Wallace was a school teacher, farmer, and owned a peach and apple orchard in Texico, IL all of his life. He attended Ewing College in Ewing, IL in the early 1900's and married the only love of his life in 1909, Alice Byars. In fact, Alice finally married Wallace to keep him from following her everywhere she went!

He was also the Field Township Road Commissioner and Supervisor for many years. During the time Wallace was Road Commissioner, he often bragged about how every road in his Township was oiled and there was finally no dust to bother the residents when cars and trucks traveled the roads.

After Wallace and Alice were married in Plainview, TX, they lived a short time in Mountainair, New Mexico where Wallace worked at a copper mine. They soon left for Portland, Oregon, where Wallace obtained a job as a cowboy on the 860 acre Mensinger Ranch at the base of Mt. Hood. Alice cooked and cleaned house. Alice did not like Oregon. She wanted to move back to Illinois where there were large trees and green grass.

When Wallace and Alice returned from Marmot, Oregon, in 1915, they purchased the J. S. Leuty farm place in Section 22 of Field Township. Leuty had sold the farm to Bert Green, who died, and Wallace's father, Thomas Harvey, purchased the land (60 Acres) and house at an estate auction on March 25, 1915 for the sum of \$2,000. Thomas Harvey then sold the land to Wallace on March 27, 1915 at exactly the same price, \$2,000.

Alice became pregnant with their only child, John Thomas Wimberly, in March of 1915, about the same time Wallace purchased the Bert Green property.

Notes for ALICE WESTER BYARS:

Alice Wester Byars graduated from the Marion County Public Schools (High School) held at the School Hall in Salem, IL on Wednesday Evening, August 26, 1903 at eight o'clock p.m. Her fellow graduates were Toney Kagy, Faye Kell, Hallie McClelland, Maudie Wilkins, Lester Purdue, and William G. Parker.

The 1880's were fraught with memories, especially of the older generation, of the terrible chinchbug year of 1881 - a famine spread upon the land and the whole decade reflected the effects of this desolate time. But - some good came from all this notably, our vice president, Mrs. Alice Byars Wimberley, born at the upper edge of the county, both Marion and Jefferson Counties could lay claim to her accomplishments.

When Alice was an energetic young girl she carved a reputation for herself in one of those long-ago and now forgotten millinery stores. This store was located on the main street in Kell, Illinois. Today so called hats for women are manufactured and shipped ready to sell but in the old days the hats were really hats and although the milliner had no blueprint to guide her she did have a sort of foundation made of wire. She also had hundreds of yards of horsehair braids, and ribbons and laces, along with artificial flowers and fruits of all descriptions. The rest was up to her imagination and Alice really did have a wonderful imagination - and so did a boy named Wallace. When he grew too interested she closed her shop and flew to Texas. He followed. Wedding bells rang out at her Uncle Elza Worth's, Result, one fine boy named Tom. (John Thomas Wimberly)

Obit -

Alice Byars Wimberly, 91, died October 6, 1976 in the Good Samaritan Hospital, Mt. Vernon, Illinois. She was born October 10, 1884, near Kell, Illinois. She was a former resident of Texico, Illinois. She married Wallace Labon Wimberly of Texico, Illinois on May 9, 1909, in the home of her uncle, Elza Worth Byars, in Plainview, Texas. (Wallace Wimberly was living in Mountainaire, NM when he married; he and his wife returned to NM as newlyweds). They lived several years in Portland, Oregon before moving to Illinois where they owned and operated the Wimberly's Fruit Orchard at Texico.

Mrs. Wimberly is survived by one son, John Thomas, of Marion, Illinois, four grandchildren and eight great grandchildren. She is preceded in death by her husband, two sisters and seven brothers.

Mrs. Wimberly was a member of the Panther Fork Baptist Church, Texico, Illinois and was the oldest living member until her death. While living in Marion, Illinois she attended the Warder Street Baptist church and was a member of the Everready Sunday School Class.

Mrs. Wimberly attended Ewing College in Ewing, Illinois in 1903, and was the secretary of the College.

Funeral services will be 1:30 P.M. Saturday October 9, 1976, at the Myers Funeral Home, Mt. Vernon. Friends may call after 6 P.M. Friday, October 8, 1976 at the Myers Funeral Home. Burial will be in Zion Grove Cemetery, near Kell, Illinois.

The Rev. Ross Partgridge of the Pleasant Hill Church and Rev. Charles Hogan, Warder Street Baptist Church will officiate.

Ewing College History

Many years ago, there were several colleges and seminaries across Southern Illinois. The one at Ewing was the largest and considered the most prominent. It dates to April 15, 1867, when Dr. John M. Washburn, an itinerant Baptist preacher, opened a high school in the Frizzell Prairie Baptist Church. Eventually, the high school became a college and was moved to the campus in Ewing in 1874. The campus once had seven buildings.

They included, Willard Hall, known as "The Beacon Light Throughout All Egypt," which was demolished in 1951 or 1952. The campus also had a Carnegie Library.

The college boasted the largest livery stable in Southern Illinois. More than 50 rigs were kept there. The last remaining building on campus in 1991 was once the boys' dormitory. Before it was a dormitory, it was used as a rolling mill and as part of the Richerson Woolen Factory, so it probably was built in the 1860's or early 1870's.

Boys paid from 25 cents to 50 cents a week to rent rooms, but they were required to carry their own firewood and do janitorial work. Girls paid higher rent - 50 cents to 75 cents a week - but they did not have to carry firewood. Kerosene lamps were provided for all students.

There were three literary societies at the college - the Pythagorean, the Logossian and the Euterpean. Sports, especially football, also were popular. Despite its august beginning, the college lost its Baptist sponsorship in 1912 and was closed in 1925.

Notes for SAMUEL HARVEY WIMBERLY:

Sam & Grace Wimberly's 50th Wedding Anniversary Story appeared in the Fort Lauderdale Newspaper in 1962. Alice (Byars) Wimberly kept this newspaper clipping in her personal scrapbook along with numerous pictures and post cards received from Mable (Larson) Wimberly.

Wimberlys Remember - By Grace Whipple (Staff Writer).

When Mr. and Mrs. Sam Wimberly first came to Ft. Lauderdale the population numbered an impressive 300, Las Olas Blvd. was considered "far out", there were two automobiles in Davie, and the mailman persevered through rain, wind, heat and insects...in a horse and buggy.

That was our town 50 years ago. Sam Wimberly had brought his bride to Ft. Lauderdale on their honeymoon. Excitement of the big hotels and glittering tourist attractions were unhatched ideas, but the Wimberlys did manage some sightseeing - mostly in the Everglades. "We were both interested inland around here," says Wimberly, "so we spent most of our trip investigating the orange groves around Davie."

Back for Good

The Wimberlys returned to Chicago but three years later were back for good. They settled on a little farm in Davie and became a part of a growing community. "There was hardly anything here." recalls Mrs. Wimberly, "We traveled by boat to get to the beach, there weren't any roads."

In fact there was just one road through Davie - the old dike road, paved with limestone and just wide enough for one car. "Not that that make too much difference," says Wimberly, "There were only two cars in Davie at the time - we bought the third one." Those old limestone roads were really hard on those Model T's, too - especially traveling slow. The secret was to get up to a good speed, about 25 miles an hour. Then it wasn't bad.

"But since there were no roads to speak of, almost everyone traveled by boat. That's the way farmers got their vegetables to the market from Davie to town.

"Or else we went by mule wagon. Took up most all day to make the 11 mile trip that way."

Whenever there was entertainment, it was a community affair," says Mrs. Wimberly. "We used to have all of our social events in the old school house."

When the Wimberlys moved into the "City" in 1924, Wall Street was the heart of town with a two-story hotel, a grocery store, post office and smattering of small shops surrounding it.

Real Estate Office

Wimberly opened the first real estate office on Las Olas Blvd. "That was right before the big land boom," he recalls. "And it was around this time the Federation of Women's Club was started," added Mrs. Wimberly.

Fifty years have brought progress and prosperity to Ft. Lauderdale. They've brought happiness, success, and many friends to the Wimberlys, who now live at 1435 SE 14th ST. The golden anniversary couple are being honored today at an open house given by their daughter and son-in-law, Mr. and Mrs. Colie Chavis, 101 Holly Lane, Plantation, FL. Down from Gainesville for the celebration are the Wimberlys' son and daughter-in-law, Dr. and Mrs. Stan E. Wimberly.

Samuel and his father, William, participated in the 1911 land lottery with several others from Southern Illinois. The lottery is what brought the family to Florida.

Notes for MABEL LARSON:

Mabel Larson communicated quite frequently with Alice (Byars) Wimberly in Texico, IL. When Alice died in 1976, her grandson, Thomas, found many newspaper clippings and pictures sent by Mable to Alice during her last 60 years in a personal scrapbook kept by Alice. The scrapbook was the story of Alice's life filled with memorabilia and newspaper clippings of people and family who were important in her life

Marriage Notes for SAMUEL WIMBERLY and MABEL LARSON:

When Mabel Larson and Samuel H. Wimberly moved to Fort Lauderdale, FL, they lived at the Obispo Apartments located at 200 S.E. 16th ST, Fort Lauderdale, FL on December 19, 1940. Mabel sent Alice (Byars) Wimberly a post card on that date with a picture of the apartment building on the reverse side.

Notes for PEARL LUCILLE MCLEAN:

Evelyn McLean was a schoolteacher in Tonopah, NV

Notes for STANLEY SHAATTUCK TAYLOR:

Stanley Taylor worked on the Union Pacific Railroad in his earlier years. In 1915, he started a bookstore in Honolulu. In 1920, he went into partnership with his brother, Jim, and started HOPACO (Honolulu Paper Company) which continues to be in business to this date (1996). Jim sold out his share around 1950 and died in Honolulu in 1990.

Neil E. McLean VII, visited Uncle Fie and Aunt Lucille during World War II. Just before they shipped out for

action, Uncle Fie asked Neil where they were going. Neil told Uncle Fie that as a lowly seaman, he didn't know anything. Uncle Fie asked Neil what the code name was on their equipment and Neil told him it was "DOVA." Uncle Fie swore Neil to secrecy, then told Neil he was going to the Marina Islands. Uncle Fie was correct.

Uncle Fie knew every Admiral and General in the South Pacific and had enough influence to get his son assigned to the Hawaiian Islands. His son, Stanley II, flew PBY's on Air Sea Resue. As Neil McLean said, any nit wit could fly a PBY with some basic training.

My main reason for writing you though, is his brother. My father. My grandfather, James Riley, married again after Thelma's death. My grandmother was Laura Mae Bell. The had two children. My father, James Brady, July 31, 1939, who now livcs in Prattville, Al. He was married to Nancy Shaw, and I am their only child, Stacey Carol Wimberley, Feb. 17, 1962. I live in Austell, Ga. My Aunt Yvonne is a few years younger than my father. She married Buddy Tabor of Thibodaux, La. They had 3 daughters, DeAnns, 1962; Connie, 1964; and Tammy, 1967.

I would very much like to have our pages updated. Please let me know what I need to do for this to happen and if you have any other questions.

You have created a wonderful site. I can't tell you how thrilled I was to find my grandfather and uncle here!

Notes for WILLIAM HOUSTON MCCORMACK:

2 slain in Courtland's Gun Battle

Three Bystanders Wounded, One Of Them Critically

Courtland, (AP) - (May 2, 1948) Two persons, one the chief of police here, were killed and three bystanders wounded in a gun battle here last night, at approximately 6 o'clock. The dead were chief W. H. McCormack, 42, and W. S. Holderfield, 69, a carpenter. Critically wounded by a stray bullet was Elton Sherill, Courtland farmer, who was in a Decatur, Ala., hospital. Slightly wounded were Duck Wann, Courtland Taxi driver, and an unidentified negro.

Sheriff G. S. Byars said the police chief had arrested Holderfield's son, Oscar, a week ago. Byards quoted patrolman Harvin G. Terry of the Courtland police force as saying Holderfield walked up to the town's main street and found McCormack sitting in front of a drug store. Terry was quoted as saying Holderfield opened fire without a word, and McCormack returned it. McCormack crumpled to the ground and Holderfield fell on top of him.

McCormack was hit six times, five in the body and once in the leg. Only one of four bullets from McCormack's gun struck Holderfield but the carpenter was dead when medical aid arrived. McCormack died within an hour, as he arrived at a hospital in Moulton, Ala. Mayor W. A. Toms said six bullets had been fired from Holderfield's gun and four from McCormack's. McCormack had been chief of Police here since 1941. He had a wife and five children. Holderfield had a wife and seven children.

My mother's maiden name was Rose Annas Wimberly and she was born in Yorkville, TN in April 1900. However, I have not been able to find anything on her parents (my grandparents) whos names wre Alexander and Rhoda Wimberly, ,both from Henry County , TN. My grandmothers maiden name was Wimberly, but my mother always said that they were not related.....it is possible, however, they were cousins. GARLAND DRENON¹⁴ WIMBERLY (*WILLIAM BUCHANAN¹³, CRAWFORD BUCHANAN¹², LEWIS¹¹, NOAH¹⁰, LEWIS⁹, LEWIS⁸, THOMAS⁷, JOHN⁶, WILLIAM⁵, WILLIAM⁴, THOMAS³, WILLIAM², UNKNOWN¹*)¹⁰⁴ was born April 06, 1912 in Paris, Henry Co, TN, and died February 25, 1975. He married (1) WILMA BROWN 1919, daughter of D. BROWN and LULA KIRKPATRICK. She was born 1912, and died 1957. He married (2) VELMA CLARK 1958. She was born Abt. 1917.

Notes for GARLAND DRENON WIMBERLY:

Garland Drenon Wimberley was born in Paris, Henry County, TN on April 6, 1912, to William Buchanan (1889-1970) and Ludie Mae Stuart Wimberley (1889-1966). At the age of five, the family moved to Mississippi and settled on a farm west of Houston in Chickasaw County. He had four brothers; Ralph, Dorris, Kenneth, and Glen; two sisters, Kathaleen Wimberley Griffin, and Mary Wimberley Richards. In 1919, he married Wilma Brown (1912-1957), daughter of W. D. "Tump" and Lula Kirkpatrick Brown. He also married Velma Clark in 1958.

Mr. Wimberley was a farmer for many years growing mainly sweet potatoes and raising cattle in the Thorn and Wesley Chapel communities. He was a director of the Chickasaw County Coop for many years as well as a member of the Exchange Club of Houston. In 1963 he purchased the Ford dealership in Houston which he operated under the name of Wimberley Motors until 1970. He was co-owner of Chickasaw Memorial Gardens near Houston. He also owned the Pinecrest Memorial Gardens in Calhoun County. Mrs. Wimberley and other members of the family were active devoted memers of the Thorn Chuch of God. After they moved from the Thorn community, it was Mr. Wimberley's dream to have a Church of God in Houston. He bought and deeded property located on 3rd Avenue to the Church of God so that a church could be established in Houston. His dream became a reality in 1967. A parsonage has since been built, a Children's Church is in operation, and a bus ministry has begun.

Another instance of his love and devotion to the Church was - the Church was using, or trying out, an organ, or so we thought. At Sunday morning worship, he asked, "Well, how do you all like it?" Of course, the answer was, "Fine." His reply was, "It's yours."

Garland Drenon Wimberley and Wilma Brown had two daughters.

Martha Kate (1931) graduated from Houston High School. She married Jesse Price Morris (1927) in 1949. They owned and operated a grocery store for several years in the Wesley Chapel community on Highway 15N. Martha and Jesse had three children, Wanda Carol (1949), Ronald Dean (1958), and Martha Gayle (1965). They divorced. Martha worked at the Chickasaw County Coop for several years and with her father at Wimberley Motors until he sold it. She also worked for the Sunburst Bank and retired there in 1995. Martha is

a charter member of the Houston Church of God where she serves as clerk and pianist.

Mava Kathryn (1938) graduated from Houston High School and attended Lee College in Cleveland, TN, where she met and later married the Rev. Joe Charles Taylor (1935) in 1957. Their three children are Sherry Lynn (1959), Terry Lee (1960), and Cathy Jo (1963). Joe and Mava served the Houston Church of God as its first pastor. Joe and Mava have pastored Churches of God in Mississippi as well as other states and are presently pastoring in Tennessee.

Notes for FANNIE BELLE COX:

I am really impressed with your research! I am a librarian so I appreciate good work when I see it. I do want to clarify the information regarding Alfred Leroy Wimberly. He married Fannie Belle Cox, not Billie Cox, or Bell Cox. Alfred was my grandfather. My mother is his youngest daughter. I have used your information in the development of some of my own information. You are credited in the resources. I think that my cousin, David Wimberly, may have obtained some information from you and/or perhaps supplied some to you. I also have a question: have you visited Carroll County, MS to view documents, etc.? I am considering a visit home soon and wondered if you found it useful. Thank you again. This is so terrific. I never understood the appeal of genealogy until I began on my own. Submitted by Cathy Sanford; July 22, 20001; <cathy163@pacbell.net>

John Scott Lindner suffered from an aneurysm of a major blood vessel of the brain. He passed out one night in 1956 in St. Louis and starting having epileptic convulsions. He was taken to a hospital in St. Louis there doctors diagnosed his medical problem. The doctors told him an operation was too risky and he may die on the operation table. The treatment was to take drugs to keep his blood pressure low and to live a stress-free life. However, Scott could not do that. Eventually, his marriage suffered and he and Janice were divorced in abt. 1958.

Scott died in July, 1971 while he was jogging. He had a seizure and died of a heart attack.

399. THOMAS LEE¹⁵ WIMBERLY (*JOHN THOMAS¹⁴, WALLACE LABON¹³, THOMAS HARVEY¹², THOMAS JEFFERSON¹¹, ELIJAH¹⁰, LEWIS⁹, LEWIS⁸, THOMAS⁷, JOHN⁶, WILLIAM⁵, WILLIAM⁴, THOMAS³, WILLIAM², UNKNOWN¹*) was born January 17, 1939 in Texico, Field Township, Jefferson Co, IL. He married (1) SARA ELIZABETH POTTER March 25, 1961 in Marion, Williamson Co, IL, daughter of LUTHER POTTER and LELA PENROD. She was born July 21, 1940 in Carbondale, Jackson Co, IL. He married (2) SYLVIA KAY EVETT December 30, 1975 in Munster, Lake Co, IN, daughter of SAMUEL EVETT and ROSE DIAL. She was born September 19, 1939 in East Chicago, Lake Co, IN.

Notes for THOMAS LEE WIMBERLY:

Thomas Wimberly was born at 10:00pm on January 17, 1939 on a farm owned by his father and mother in Section 22 of Field Township, Jefferson Co, IL. He was about two weeks overdue and his mother washed and scrubbed the kitchen floor on the day of his birth so he would be born. The doctor placed an ironing board under the mattress of the bed so his mother's back would be supported while Thomas was being born. At that time, many children were born at home. Thomas' father was out of work - it was in the Depression - and he gave the doctor his last \$25.00 to pay for the delivery. The next day, Thomas' father was called to work at the electrical cooperative in Mt. Vernon, IL.

Thomas Wimberly was an Economic Development Project Manager for the State of Illinois Department of Commerce and Community Affairs. During his 30 year career, he was responsible for creating over 10,000 jobs in Illinois and bringing in over \$375 million in capital investment to the state. He retired in April, 1999.

In June, 1999, Thomas was appointed the Executive Director of the Regional Economic Development Corporation, a joint venture of the City of Marion and the Marion Chamber of Commerce. He served in that capacity for almost two years when he retired again in 2001.

Thomas also owned several small businesses during his lifetime. He was the owner of Tom-Ber Enterprises in 1968-1970, a small manufacturer of grandmother clocks. He was a partner and finally the sole owner of Westwood Village Apartments, a 20-unit apartment complex in Marion, IL. In 1992, he was laid-off from his position with the Department of Commerce and Community Affairs. He immediately started Wimberly & Associates, which did E-911 addressing and mapping for counties in Illinois.

After Mr. Wimberly was re-instated in his position with the Department of Commerce and Community Affairs in October, 1994, he offered the company to his son, Steven Wimberly, but Steven did not want the responsibility. The business was shut-down in 1997 after the completion of his contract with Pulaski County, IL

Thomas was an avid genealogist. He created the Wimberly Family Genealogy home page on the internet and organized an association of genealogist who did research on the Wimberly surname. The address for the home page was: <http://members.accessus.net/~twimberly/index.htm>.

Another hobby of Wimberly was computing and desktop computers. In 1980, he purchased a Radio Shack Model III computer for himself at Christmas. When he brought it home from the store, his wife, Kay, hit the ceiling. She wanted to know what that dumb thing could do besides flash numbers and letters on a TV screen. Thomas did not return the computer and instead, upgraded to a Model IV computer when it was introduced. After IBM introduced their brand of computers, Thomas saw the Radio Shack TRSDOS operating system was not going to be supported. He then constructed his first clone in 1988 and since then, constructed six computers of various sizes and capacities. He taught Basic Language programming at Radio Shack in Marion for one year.

Thomas constructed his first house at 201 Lake Shore Drive in Carterville, IL in 1963. It was a shell home purchased from IBC Homes (Southern Homes) of Marion, IL. The total cost of the house was about \$16,000 including the \$2,500 cost of the lot. Wimberly created about \$2,500 sweat equity in this venture. Two additions were added: a 16'x16' family room in 1966, and a 24'x24' garage in 1969. The family room cost \$800 and the garage, \$1,800. The house was sold in 1972 for \$32,500 to Prentice Smith of Homewood, IL.

In 1975, Thomas and his first wife, Sally, were divorced. Later that year, Thomas married Sylvia Kay Evett Goldstone whom he had originally met on a blind date in 1956. Thomas and Sylvia purchased the home located at 1804 Julianne Drive in Marion, IL. A friend of Thomas', Robert Wilson, had built the home in 1970. It was a perfect home to raise five children. In 1995, Thomas and Sylvia enlarged the home by building a two-car garage on the east side of the house; converting the old one-car garage into a downstairs master bedroom, and constructing a sunporch on the north side to replace the existing unprotected brick porch that overlooked the swimming pool that was installed in 1979.

Thomas L. Wimberly and Sylvia Kay Wimberly were divorced in May, 2003 after a bitter and difficult separation. See "The Ultimate Treachery" on how Sylvia Kay treated Tom before and after the separation on March 5, 2002.

Marriage Notes for THOMAS WIMBERLY and SYLVIA EVETT:

Sylvia Kay Evett Goldstone Wimberly and Thomas Wimberly started out their married life happy, both sexually and otherwise. The three children from Sylvia Kay's first marriage, Wendy, Adam, and Kara, caused numerous problems between them. They would abuse Thomas both physically and mentally. Eventually, two of the older children went to live with Sylvia Kay's first husband, Michael Goldstone. Sylvia Kay felt guilty about sending her children to live with Mike and deep down inside her, justified doing it just to save her marriage with Tom. Sylvia Kay kept a deep resentment against Thomas for this and eventually separated and divorced Tom in May, 2003. Sylvia Kay also had severe mental problems and clinical depression.

ANN CAREN¹⁵ WIMBERLY (*STANLEY EUGENE¹⁴, SAMUEL HARVEY¹³, WILLIAM NEWTON¹², THOMAS JEFFERSON¹¹, ELIJAH¹⁰, LEWIS⁹, LEWIS⁸, THOMAS⁷, JOHN⁶, WILLIAM⁵, WILLIAM⁴, THOMAS³, WILLIAM², UNKNOWN¹*) was born January 10, 1950 in Gainesville, FL. She married JEROME LAM May 17, 1986 in Framingham, MA. He was born July 05, 1960 in Augusta, GA.

Notes for ANN CAREN WIMBERLY:

My maiden name is Wimberly, and my grandfather, Samuel Harvey Wimberly, was raised in Southern Illinois. I suspect he may be a descendent of Elijah Wimberly. Samuel and his wife Mabel had two children, my father, Stanley Eugene Wimberly, and my aunt, Grace Wimberly. The family moved to Ft. Lauderdale, FL. from the Chicago area when my father was one year old.

The fact that Elijah was a preacher and real estate investor fits right in. Sam was quite a real estate man, and his father participated in the 1911 land lottery with several others from Southern Illinois. It is what brought the family to Florida and is quite an interesting story. Samuel and his family were also very active in the Baptist church as well. Grace can fill in many details and interesting parts. I have copied her on this note.

My father earned a PhD in psychology at the University of Michigan, where he married Irene May LaBarre (known as Renee, originally from Pennsylvania and then Oakland Park, Florida) in 1939. When he died in 1971, he was Vice President of Florida Atlantic University in Boca Raton, Florida.

Grace married Colie Chavis, a Full Commander in the U.S. Navy (who is now deceased). She is a very active speaker and lecturer, and has given counseling workshops around the country (and internationally) in conjunction with the Baptist church.

My brother, David Samuel Wimberly (named after his grandfather) now lives in Coral Springs, Florida, where he and his fiance own a very popular and classy dog grooming studio named The Purple Poodle.

Judging from the dates of Elijah's lifespan (1800-1876), I suspect that his son, Thomas Jefferson Wimberly, may have been my grandfather's father or grandfather. My grand- father's birth and death dates are (I think) 1884 and 1983. He lived to be 99 years old. Somewhere in my notes from Grace I know my grandfather's father's given name, but I can't find those notes at the moment.

Hopefully, Grace will be able to make a connection for us between Elijah and her father, Samuel. Submitted by Ann C. W. Lam; October 11, 1999 <ann.lam@compaq.com>.

He married JEANETTE ALINE LANCIAUX August 1964. She was born Abt. 1940, and died September 1996.

Notes for BENJAMIN C. WIMBERLY:

My branch of the family is also from Marion, IL. My father's name was Claude Lee Wimberly and my mother was Marie Constance. My grandfather was Charles Wimberly and my grandmother was Nettie Copher. (Submitted by Benjamin C. Wimberly. <wimberly@erols.com> 07/27/1999)

I remember you and your sister, Janice Wimberly, from a brief stay in Marion in about 1953. Janice was 1 year behind me at Marion Township High school. Anything you can tell me about the Charles Franklin Wimberly/Cordelia Lansford story would be appreciated. (Submitted by Benjamin C. Wimberly; <wimberly@erols.com> 08/01/1999)

I remember Dad speaking about a preacher in the family who had come to grief over a woman and had disappeared. I also understand that he did some research on this person in the newspaper morgues of either Savannah or Charleston shortly before he died, but he never passed the results on. It sounds like the preacher in question must have been Charles Franklin Wimberly.

One correction to the document "Descendants of Charles Franklin Wimberly" in the "for what it's worth department" : Dad was living in Titusville, FL when he died , not in Greenbelt, MD and is buried in Arlington National Cemetary (as is Mom).

It occurs to me that I have not mentioned my sister, Maxine Lee Valunas. She is retired and living in Titusville, FL. Her dob is Sept.19, 1930. She is childless. We also had a brother, Stephen Paul, dob May 4, 1946, who died of lung cancer in August of 1985. He had a daughter, Angela Marie, by his first wife. His second marriage was childless.

For my part, my dob is Jan. 2, 1937. I am a recovering attorney--that is, I am retired and no longer active in my profession. I am a retired Captain in the Naval Reserve, having served 10 years on active duty in the Judge Advocate General's Corps and about 25 years in the Reserves. I am also retired from the federal government

for which my most recent service consisted of 18 years as the General Counsel to the Architect of the Capitol (an officer of the Congress responsible for all buildings and grounds and other facility support to the Congress, followed by 2 years as the chief administrative officer for the agency. I retired 3 years ago and try to stay busy with volunteer work, golf, travel, etc.

Last summer I participated in the American Lung Association Big Ride Across America. I and 700 other cyclists rode from Seattle to D.C. covering some 3200 miles and taking about 7 weeks to do it. I've barely touched the bike since, but am determined to get back in shape. I lost my dear wife, Jeanette Aline (nee Lanciaux) in Sept 1996, so the ride was in large part therapy, as I dedicated my efforts to her memory. We had been married 32 years (since Aug 1964) and had two living children: Michael Charles (dob Apr 24, 1968) and Catherine Anne (dob Oct 10, 1972). Mike is married to the former Anne Marie Cosgrove of Seattle. They don't have kids yet and are living in Corvallis, OR, where Mike recently earned a phd in forestry at Oregon State. Catherine is still single and in her last year at Stanford Lawschool. She will be clerking for a Judge on the US Court of Appeals for the 4th Circuit next year after she graduates.

You didn't mention your sister Janice. I hope that all's well with her. Do keep in touch. If you ever get out this way let me know. I live alone, except when one of kids is passing through, and would be glad to have you and your wife stay with me. It's near the Metro line, so getting downtown would be convenient. Best regards, Ben W. (08/02/99)
